

Dave Stinson has just received a 'phone call from Bob Menzies telling him that he has just come out of hospital after a knee replacement - he was just hoping it was going to be minor surgery - and is now off his feet for some time, reluctantly cancelling their place at Berwick!

Dave is holding on to these 2 places, I will not inform the hotel until the first week in April, in the meantime, perhaps we can trawl around for anyone who wishes to take these 2 places. Bob Killey comes to mind!

Regards
