

IN LOVING MEMORY OF ERIC MAY -

Dear Jane,

We were deeply saddened, shocked and numbed in equal measure, to hear about the sudden death of Eric. At this awful time, you are in our thoughts, which also go out to Michael & Daniel, along with Eric's immediate and extended family.

Eric lit up our lives at the annual reunions, what with his unique brand of humour, wisdom and a common sense approach to any matter under discussion; however, no matter how serious the discussion was, it would not be long before Eric reverted to becoming the centre of attention with his wicked sense of humour.

Eric has made us laugh so much over the years, if only we could have bottled it and sold it, we could have afforded to have our annual reunions in the Bahamas! The reunions will continue, as Eric would have wished, and we know Eric will be with us in spirit, so ensuring the laughter continues.

Enclosed is a cheque, representing individual donations that have been made, which I am sure you will be able to use in an appropriate way.

Please keep in touch; you are always welcome to our reunions, along with your lovely children, Michael and Daniel.

Our lasting memory of Eric will be of much laughter and a strength of character that saw him through his Boy Entrant days, not forgetting his great loyalty to his former 40th Entry comrades and a great love for you, the children and all the family.

A handwritten signature in black ink, appearing to read 'Steve Lister', with a horizontal line underneath.

Steve Lister, Chairman 40th Entry Reunions.
